OFFICE 365 EMAIL FEATURES

- Email, calendar and contacts sync on all devices so no more different emails in different places.

- Large, 50GB mailboxes that can send messages up to 25MB in size, with contacts, shared calendars, and spam and malware protection that stays up to date.

- Use your own custom domain for your professional email address, connect with Outlook for fully featured offline support, and access email via any modern web browser.

- Available on your PC or Mac, as well as Windows Phone, iPhone, Android, and Blackberry devices.
